

As seen in London's Tatler

TATLER

**Anushka Comedical Centre
Spa & Salon Florida, USA**

The lowdown This is where the haute New York social scene comes to get the perfect beach body. The facility boasts a sun-drenched Spa and a Hair Loft that specializes in Keratin Treatment and extensions to add volume just around the hairline. There's a Lash Lounge, the new Bronze Goddess Tanning Suite and the legendary Cellulite Clinic run by Anushka, whom Vogue (Tatler's sister publication), names her "THE cellulite exorcist extraordinaire". She has pioneered signature treatments like Model's Secret Slimmer, a Thermojet procedure to slim legs, and SmoothShapes® for thigh shrinking, plus she created her own range of creams that destroy dimples for over 750,000 clients worldwide.

Star doctor Medical Director Dr. Daniel Morello is a renowned NYC plastic surgeon who sees private clients for facelifts, tummy tucks, breast implants/lifts and liposuction. Dr. Bonnie Marting, DNP, ARNP utilizes her extensive skills in providing near-painless, non-surgical facial lifting and facial sculpting. Her expertise in laser rejuvenation, removing fine lines, wrinkles, sun-damage, and red vessels is unsurpassed.

Services The top 100 clients have access to a special spa hotline for last-minute appointments and out-of-town customers are treated to every concierge service imaginable, from limousines to five-star hotel rooms at the Breakers and the Four Seasons.

Who goes Supermodels, A-list Superstars, Sports Mega-Stars and Palm Beach Pulitzer girls.
